WHAT IS PAINT-A-THON?

The Community Paint-a-Thon is a way of helping seniors, veterans, and the disabled have the exterior of their homes painted for no charge.

HOW IT WORKS

Once home sites have been identified, inspected, and qualified:

- **Volunteers** will scrape, prime, and paint each home.
- **Team leaders** will visit home sites the week before to do prep work.
- On **Paint Day**: YOU and YOUR TEAM meet in the morning and complete the project by the end of the day!
